

Brief Description

HLH covers in a practical, but scientifically based manner all aspects of building services. This embraces individual product reports, short features on current developments, news from commerce and industry as well as background contributions from authors of repute and specialist journalists.

Target Group

Specialist engineers and designers dealing with heating, ventilation/air-conditioning, sanitation, integrated design and build, electrical engineering. This includes 7,463 members of the VDI Society for Building Services.

Advertisers

Producers, designers and service providers from

- Heating engineering (heat generation and distribution)
- Inside air technology (Ventilation, air-conditioning, cooling, dust free zones)
- Sanitation engineering (ready-made installations, water supply and drainage, water purification and plumbing fixtures)
- Facility management
- Electrical engineering
